CAPABILITY STATEMENT

IT Automation LLC, based in Cary, NC, is a certified woman-owned and minority-owned small business, specializing in high-quality Information Technology, IT Consulting, and Project Management services. As a recognized Disadvantaged Business Enterprise (DBE) and Minority Business Enterprise (MBE) by the North Carolina Department of Transportation, we are committed to promoting diversity and achieving excellence across all aspects of our business. Our mission is to provide strategic, value-driven IT solutions that help our clients achieve their goals while fostering strong, long-term partnerships.

Our comprehensive services cover a broad range of technology solutions, including custom computer programming, software development, AI and machine learning integration, as well as data management and cloud services. With a highly skilled team proficient in Agile methodologies, we ensure streamlined project execution, continuous improvement, and risk mitigation. From the initial consultation through full-scale implementation, we deliver tailored solutions that meet the specific needs of our clients, utilizing cutting-edge tools and technology to drive operational efficiency and performance.

At IT Automation LLC, we pride ourselves on our commitment to delivering excellence, backed by a culture of innovation, collaboration, and trust. Whether it's consulting, project management, or custom technology solutions, we offer proven expertise and dedicated support to help organizations succeed. We look forward to the opportunity to partner with you, delivering results that exceed expectations and bring lasting value to your business.
